Lynn,

I pulled the file for Vincent/Madsen U-77838, and noticed that the Lucy Two claim is under Janice and Ron Vincent and the other claims, Lucy 3, 4 and 5 are under Janice, Ron, Vonda Madsen and Jerry Madsen. Also, as you are aware, they both signed the exploration notice as co-operators, so I agree that the best and easiest thing to do is, close the file, return the \$8,200.00 to Madsen (they will have to work it out between them) and inform them that if they want to do exploration in the future they would need to submit a new notice. I will send a letter to Madsen (cc'ing you, Opie and Vincent) informing him that we believe the reclamation is satisfactory (from your recent visit) and that we will be sending him the remainder of the bond once we get DOGM's concurrence.

Let me know if you want to do it different. Thanks
